COTTON CROP PROSPECTS GOOD HERE

MORE FARM ROADS FOR THE COUNTY

Road Program Still Progressing

Milam County's farm to market road construction program continues to make progress.

Judge Dan Tyson received word this week that the State Highway Department has selected for construction additional farm roads in this county.

There will be an extension of farm to market road 487 at Tracy west to Sharp for a distance of approximately 4 miles and from US.. Highway 79 in Rockdale, south to road intersection for a distance of 5.0 miles.

There has been considerable farm to market road construction in this county for the past few years and citizens of the rural areas have highly praised the efforts of the county court in working with the Highway Department in carrying out the rural road program. The roads have greatly aided farmers in getting their produce to market early. Such an advantage has been very helpful to the truck farmers whose perishable products have to be rushed to distant markets.

There was no reports as to how soon the department would begin construction on these roads but it was anticipated that work would get underway soon.

Dr. Glenn Kahler Buried At Post Texas Monday June 4

Dr. Glenn E. Kahler, 39, one of Post's outstanding citizens and physicians died suddenly, Saturday morning June 2 in the John Sealy Hospital, Galveston.

Dr. Kahler has been under treatment at the hospital for the past month. He became ill while attending a medical convention in Galveston. He came to Post in 1945 after being discharged from the Air Force with five years of service as a flight surgeon. His most outstanding military achievement was that of establishing a station hospital on one of first airstrips to be constructed in New Guinea in the spring of 1942.

Dr. Kahler was active in civic affairs since going to Post. Much of the progress and growth of the city may be attributed to his efforts. He was instrumental in the erection of the new modern hospital now under construction.

He was a member of the Presbyterian Church and a deacon for the past three years. He served as president of the Rotary Club, Mayor, American Legion Leader and District Boy Scout Health Executive in recent years.

After graduation from Yoe High

Peter Orsag Dies In Austin Saturday

Peter Osag, 84, died in an Austin Hospital Saturday June 9, 1951.

Mr. Osag had been in the hospital for several years and had been a resident of Austin for the past forty years. He was a native of Moravia, Czechoslovikia and came to this country when a young man. He had lived in Milam County a portion of his life and had many friends over the county.

Funeral services were to be held from the Chapel of the Marek- Burns Funeral Home, at 4 P. M., Monday June 11 with Rev. H. E. Beseda, pastor, Czech Moravian church of Caldwell, officiating.

Burial was to be made in the Corinth Cemetery with Marek-Burns directing arrangements.

Surviving are four sons, William Orsag, of Cameron, Joe Orsag of Caldwell, Pete Orsag of Buckholts, and Frank Orsag of Rogers; three daughters, Mrs. Rudolph Provasek of Cameron, Mrs. Max Krall of East Bernard and Miss Sophie Orsag of East Bernard. Eighteen Grandchildren and seven great-grandchildren also survive.

WITH THE 1st CAVALRY DIVISION IN KOREA— Secretary of the Army Frank Pace, Jr., pins the Silver Star Medal to the jacket of Cpl. Donald N. Batte of Cameron, for gallantry in action against the enemy in Korea. Cpl. Batte is a member of the 1st Cavalry Division. He is the adopted son of Miss Mary Belle Batte and the great grandson of R. L. Batte, Sr.

Farm Bureau To Sponsor Community Party Thursday June 21

The Milam County Farm Bureau will sponsor a community party at the Simon-George Memorial Hall, Thursday June 21 at 8 P. M. it was announced by Dennis Klein, president.

June has been selected as recreation month by the Bureau and the public has a cordial invitation to attend the affair. The entire membership is urged to attend and bring friends and join in the fun. There will be games of various kinds and other entertainment.

The affair will be one of the main events of the summer. The farm bureau each year has a similar program of this type. Mr. Klein wishes to express his gratitude to the many commitees working to make the event successful. There is no admission charge.

Frances McWhirter To Be Instructor

A free electric cooking school will be held at the Buckholts Homemaking Cottage on Tuesday, June 19, at 8 P. M. it was announced by Mrs. Bertie Love, Homemaking Instructor.

This program is sponsored by the Peeler Electric Company of Buckholts and the Texas Power & Light Company.

The school will be under the direction of Frances McWhirter, Home service Advisor of the Texas Power and Light Company. Four meals will be prepared electrically and these meals will be given away as door prizes. The public has a cordial invitation to be present.

Buckholts Group Enjoy Vacation Trip Recently

Mr. and Mrs. Ed Kolba and Mr. and Mrs. Cecil R. Criswell, of Buckholts, recently visited Knott's Berry Farm and Ghost Town in Buena Park, California.

There, like the forty-niners, they tried their luck panning gold in the ancient sluice box at the old Gold Mine. Later, the wagon camp was visited, where in a huge circle real covered wagons were lighted by the flickering flames of a large camp fire. From here, they wandered through the Music Hall, General Merchandise Store, the Covered Wagon Show, and many other buildings erected as a monument to the pioneers of the early West.

Mrs. Wilma Messimer is a patient in the St. Edward Hospital.

Joe J. Marek Winner Of "Beautena" Grand Prize Award Here Wednesday

Approximately 500 people attended the "Beautena Day" at the Ideal Hatchery, it was disclosed by Leo Fuchs, owner and operator of the hatchery.

"Beautena" was awarded to Joe J. Marek of Buckholts at 10:30 A. M.

"Beautena," a muley white face hefer calf weighing 180 pounds has been on display at the Ideal Hatchery for the past three months. There were a number of prizes awarded which included a prize for holding the most tickets, that went to Mrs. M. L. Walker of Rt. 1 of Milano. She received 100 Imperial Mating White Leghorn chicks.

Other winners are as follows and the respective prizes; Willard Zander, 50 pounds of calf starter; Mrs. Buelah Mullinax, 25 pounds of Purina disinfectant; Albert Dorner of Burlington, Purina D. D. T. Fly Spray.

Bill Arthur To Be Service Agent For Milam Co. Farm Bureau

Bill Arthur, president of the Chamber of Commerce, has been appointed as service agent for the Milam County Farm Bureau.

Mr. Arthur placed his application

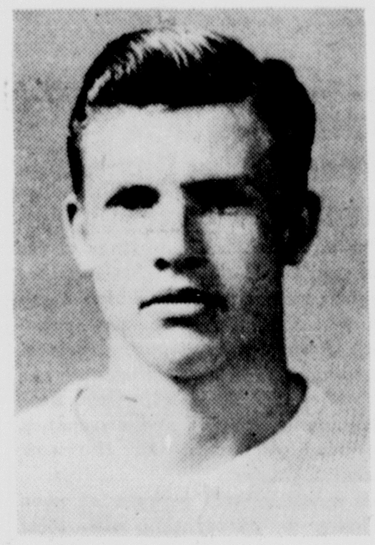
STATIONED IN ILLINOIS



Edwin Dusek, Jr., son of Mr. and Mrs. Edwin Dusek, Sr., student at Houston University is attending a two weeks training school at Great Lakes Naval Training Center in Illinois. He has been in the Naval Reserve for four years and attended Southwestern University at Georgetown for one year.

Mr. Dusek has been attending Houston University for the past threee years, where he mastered the Art as a Deisel Technician.

Graduation exercises were held, Monday, June 4, but Mr. Dusek was unable to attend due to orders received by his Commanding officer to report to the Naval Center. He left by plane from Hounton on Monday. His Commander informed him that he would probably b ecalled to active duty in the near future.

Mr. Dusek is 22 years of age and is a graduate of Yoe High School.

Mrs. J. W. Pope Dies Monday Morning

Mrs. J. W. Pope, 50, of Buckholts, died suddenly at the family residence, early Monday morning, June 11.

Mrs. Pope became suddenly ill and was dead upon arrival of the physician. She was well known in that part of the county and was the former Gladys Myrl Strickland, daughter of the late J. M. Strickland and Mrs. Strickland who now resides in Buckholts. Mrs. Pope had lived in Port Arthur for several years but was a native of Milam County, born December 18, 1900 and had lived near Buckholts most of her life.

Funeral services were to be held Wednesday, June 13 at the Friendship Methodist church, at 10 A. M. of the First Methodist church at Lott,

(turn to page twelve)

Louisiana May Be Site Location

Representative W. R. Poage of Waco, who last week disclosed that Aluminum Co. of America might build a $100,000,000 plant in southern Milam County, said Tuesday that published reports on the project have reduced the chances of that site being located here.

He said that "the increase in land prices that follow such reports may have a detrimental effect on the situaion."

Mr. Poage indicated that he planned to discuss the matter Wednesday with Alcoa representatives, officials of the Texas Power & Light Company, and Federal agencies.

He pointed out at that time that Louisiana is making a determined bid for the huge plant, offering surface water supply and a deep water port as a location. Milam's edge is in its extensive lignite deposits, Poage said last week, addng that Alcoa thought well of having such a tremendous reserve of fuel near a plant site. The surface water scarcity in Milam County has been solved by engineers, he said at that time. But even in the most optimistic view, Poage said, Milam's chance of getting the plant was only about 50-50.

10 Games Scheduled For 1951 Season

A ten game schedule for the 1951 Yoemen Football season has been announced by Coach Paul Smith.

The Yoemen will begin practice for the fall season sometime in August Coach Smith said and many of the first string players will be back in action this fall.

During the spring training period there were around fifty boys out for training and there is a great possibility more will be out when activities get underway in August.

Yoemen graduating this year will be greatly missed on the team next season. A number of the graduates plan to enter collge and play football.

The Yoemen Schedule for the 1951 is a follows; September 7, West at Cameron. September 14, Caldwell at Cameron; September 21, Brenham at Brenham; September 28, Mexia at Cameron; October 5, Killeen at Killeen; October 12, Taylor at Cameron; October 19, Gatesville, at Gatesville; October 26, Georgetown at Cameron; November 2, Belton at Belton; November 9, Rosebud at Rosebud.

Shown in the above picture are Bobby Yount (left) of Watson Branch and Joe Walzel of Elm Ridge in the foreground with the pigs they won in the Farm Bureau Contest recently. Standing left to right are Dennis Klein, president of the Milam County Farm Bureau, W. M. Faulkner, vice-president, E. J. Walzel, father of Joe, C. L. Yount, father of Bobby and Will Kuhn, breeder of the pigs.

Crop May Increase National Income

Milam County cotton farmers are very optimistic over their 1951 crop and a large number of farmers have indicated that their fields are full of blooms and since they have engaged in the early insect control measures advocated by the majority of all farm agencies, a good crop is being predicted for the entire county.

Some farmers have noticed blooms in their fields since the first week in June and the weather conditions have been ideal so far this season for the cotton crop. A large acreage has been planted this year and the major problem is if a bumper crop is produced, is the harvesting question which has been an important factor in recent years for farmers to solve.

The general rains during the past two weeks have vitally aided in the growth of the cotton, but dry weather is now needed so that the tap root of the stalks may grow in depth in order to reach the sub-soil moisture during the summer months so that the bolls may fully develop.

It was reported earlier in the season that there was a shortage in good cotton seed due to the fact that so many of the states were going in for heavy cotton production in 1951.

Farmers participating in the early insect control program have poisoned as much as three times for the Boll Weevil and will have to poison for the Boll Worm before the 10th of July to get the best results from their insecticides which is one of the major expense items in cotton production.

It has been estimated that Milam County has around 50,000 acres in Cotton this year and since the government has asked for a 16,000,000 bale increase over the 1950 crop the nation"s annual income from "King Cotton" might run considerable higher than in recent years.

It was indicated by several farmers in the immediate area that cotton chopping has been expensive this season due to the many showers as well as the high cost of living that has kept up with the trends of high prices. From national reports the high cost of living will continue for several more months in order to align everything with the government rollback of prices.

Donations Coming In For "Little Linda's" Second Operation

In a recent issue of The Hearne Democrat, edited and published by Eddie Rickenbacher, stated that a total of $471.50 had been donated to the Baby Linda Fund.

$500.00 was the amount needed to meet necessary funds for the second operation that little Linda Sweaks will soon undergo in Dallas for a heart ailment. The operation is necessary to correct a heart condition that Little Linda has been suffering all of her life. It was presumed by this time that sufficient funds have come in to meet the stipulated amount.

Linda's parents, Mr. and Mrs. Claude Sweaks have saved a sum of money to take care of the expensive operation but were unable to provide enough for all expenses. Mr. Sweaks is employed by the Ethridge Plumbing Shop at Hearne.

Linda is one of the few known "Blue Babies" and another operation is necessary to make her well and strong like other children.

Mr. and Mrs. Sweaks have expressed their deep gratitude for the generous donations that have come in to aid Little Linda in her fight against the terrible disease.

Prominent Retired Merchant Dies Here

Andrew Watkins Esslinger, Sr., 76, retired merchant, died at the St. Edward Hospital Sunday June 10, 1951.

Mr. Esslinger had suffered a heart attack early in the morning and died shortly after reaching the hospital. He was a member of a well known and prominent family of Cameron and his many friends were shocked to learn of his death. His influence in

Mr. and Mrs. Kim Majors Spending Vacation In Rudioso, New Mexico

Mr. and Mrs. Kim Majors left Monday for a summer vacation trip through interesting points in West Texas after which they will visit the Carlsbad Caverns in New Mexico before going to Rudioso where they will stay for several days.

Mr. Majors will be away from his garage for several days, but has notified his customers that he will be ready to take care of their needs on his return. Mrs. Majors, who has been an operator at Southwestern Bell Telephone Co. is taking advantage of her regular vacation from duties at the office.

Mr. and Mrs. Majors will be accompained by their two nephews, Virgile and David Walston, sons of Mrs. Virgle Walston.

R. G. Vaughan Will Go On Trial June 18

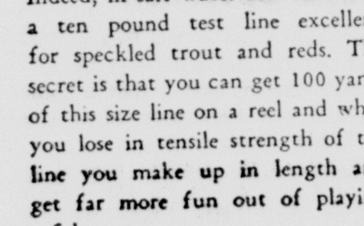
The case of R. G. Vaughan who is charged by indictment for Murder has been set for June 18 it was disclosed early Thursday by District Attorney, Ed Gunn.

Mr. Vaughan is charged with the Murder of Jack Parker, 38, of Kelly, Iowa in a tavern brawl that occured on Saturday night, April 28. Parker was shot in the head and died in St. Edward Hospital on Sunday, April 29. Vaughan has been out on $5,000 bond.

The Vaughan case is one of six indictments returned by the Grand Jury in May.

Camp and Camp, attorneys will represent Vaughan.

Fritz Sump of Giddings was a guest in th ehome of Mr. and Mrs. Wesley Pratt recently. Mrs. Sump is visiting in the Pratt home.



BY ANDY ANDERSON

MOST fishermen fail to catch fish because they refuse to give themselves the breaks. Either they don't know how or do not think it is important but nine out of ten anglers fail to rig their rods and reels correctly. Few know anything about balancing tackle and many use lines far too heavy. Just the other day I saw a bass fisherman trying to cast a five-eights ounce bait from a reel rigged with a 24 pound test line.

•

HEAVY lines are not necessary and instead are a hindrance to good fishin'. I never use more than a ten pound nylon line for bass or perch. Indeed, in salt water as well I find a ten pound test line excellent for speckled trout and reds. The secret is that you can get 100 yards of this size line on a reel and what you lose in tensile strength of the **line you make up in length and get far more fun out of playing a fish.**

YOU will find also that the lighter line permits for longer and more accurate casting.

•

OUT OF THE BAIT BOX

Night hunting is expensive in California. Four deer hunters recently paid $2,000 in fines for violating the non-night hunting law. All promised not to do it again.

Businessmen Urged To Attend Meeting

Scheduling price stabliization meetings on the "home folks" level, the Houston District Office of Price Stabilization is sending representative to Cameron Friday, June 22 to conduct a price clinic and help merchants and businessmen comply with government regulations.

The price clinic will be held at the Chamber of Commerce from 9:00 a. m. until 12 noon.

OPS representatives will conduct the clinic and counsel with businessmen. They are Ed Kallina of the consumer goods branch, John Wigzell of the food branch and E. F. Burgdorf of industrial materials and manufactured products branch.

Retailers, wholesalers, restaurant operators, slaughterers and other businessmen of Milam County and vicinity are urged to attend the clinic and bring their problems on price regulations, Charles H. Winerich, Jr., director of the the Houston OPS, said.

Explaining that he has elaborated on the price clinic program so that merchants may have the services of OPS representatives was cooperating in every way to make it easier and quicker for retailers and wholesalers to comply with government regulations and record-keeping requirments. He said that it was essential for merchants to retain their records at their places of business in order to comply.

Placrads Available For Retail Grocery Firms

The Chamber of Commerce has announced that a supply of display placards have been received from the OPS for Group 1 Retail Grocery Firms.

These placards must be displayed by all grocery firms falling under Group 1. Cameron retail grocery firms are invited to come by the Chamber of Commerce office and obtain one of these placards at their earliest convenience.

Dr. and Mrs. S. R. Cotton To Attend Convention In Fort Worth June 21

Centeral Texas chiropractors, together with some 700 others from throughout the state, will leave next week for the 37th annual convention of theTexas State Chiroprattic Association in Fort Worth.

The convention will be held June 21-23. Convention headquarters will be the Hotel Texas.

On the convention program from Centeral Texas will be Dr. H. W. Watkins, Austin; and Dr. Walter H. Fischer, Temple. Dr. Watkins will conduct one of the educational chairs at the convention while Dr. Fischer will speak on "The Missing Link."

Dr. and Mrs. S. R. Cotton, local chiropractors, report this will be the most important chiropractic convention in the past two years in as much as this year a new slate of officers will be selected. Officers are elected every two yars.

One of the principal features of the 3-day meeting will be a symposium on athletic injuries which will be highlighted by a talk by Alvin (Bo) McMillin, nationally known pro-football coach formerly with the Detroit Lions and now head coach of the Philadelphia Eagles.

Leading speakers at the convention will be Dr. Paul O. Parr, president of Carver Chiropractic College in Oklahoma City; Dr. Joseph Janse, president, National Chiropractic College, Chicago; Dr. Kenneth Walker, nationally known methaphysician of Los Angelos; Dr. L. J. Palmer, president, Palmer Chiropractic College Davenport, Iowa; and Jeff Williams, humorist of Chickasha, Okla., oftentimes referred to as the foremist bidder for Will Rogers Shoes.

A new convention feaaure this year will be selection of the Texas practitioner who prevents evidence

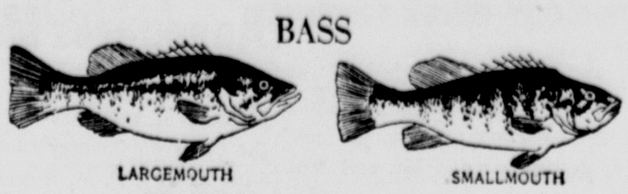
Pfc. Recio, USMC With First Marine Division In Korea

Pfc. Innes Recio, USMC, of 402 South Austin St., Cameron, Texas, was recently awarded the Presidental Unit Citation for service with the First Marine Division in Korea.

Recio, who enlisted in the Marine Corps Aug. 11, 1947, is now stationed at the U. S. Naval Air Missile Test Center, Point Mugu, Calif. He is attached to the Marine Detachment at Point Mugu, the Navy's only guided missle testing and launching center.

As a veteran of the Korean campaign, Recio is entitled to wear the Korean Service Medal, besides the China Service Medal and the Presidental citation.

Before entering the Marine Corps, he attended the Yoe High School.



BASS
LARGEMOUTH
SMALLMOUTH
With Smallmouth Bass a vertical line through the center of the eye passes back of the mouth. In Largemouth Bass the vertical line drawn through the eye passes through the mouth.
PERCH
For the contest all Perch except the White Perch, which is classified as Crappie.
CRAPPIE
In Texas popularly called "White Perch." The greatest Crappie lake is Caddo Lake in Harrison County.
CATFISH
Eleven species in Texas. All are eligible. Caught in larger streams, lakes and bayous.
TARPON
Greates of all game fishes. Found in large number at Galveston, Port Aransas and Port Isabel.
SAILFISH
Limited in number, but their fierce fighting qualities makes catching one a life-time thrill.
KINGFISH
Attain a weight of 20 pounds or more. Excellent game and food fish. Caught by trolling.
SPECKLED TROUT
Take almost any kind of bait, clams, soft crabs, pieces of meat and trolling spoon. Feed in shallows.
REDFISH
Furnishes excellent sport. Angled for in channels or through the surf. Bait may be dangled a few inches above the bottom or rested on it.

HERE ARE THE ONES THAT COUNT!

Biggest fishing contest in Texas offers $5,600 in cash prizes for fresh water and salt water fishermen to give to their favorite charities. There's no obligation., nothing to buy. Central Texans Are Eligible For Benefits

The Social Security Administration is now on the trail of approximately 14,000 persons who may be eligible for old-age and survivors' insurance benefits. These persons, age 65 or over, have all worked under Social Security covered employment at some time since 1937. They are now old tnough to begin to collece the benefits that they paid for while they were working. According to the records of the central accounting office of the Administration, none of them worked under Social Security in 1950, so they have probably retired and are due their benefits.

About 800 of these possible claimants are living in the 21 county Centex area. The Austin Social Security office will handle the job of tracking them down. Even though 1937 is the year that many of them last reported an address, James B. Marley expects that about 50% of them will be found, before th esearch is over. Marley, manager of the Austin office, says that already more than 100 have filed claims and stopped loss of benefits. He suggests that anyone who is now 65 and has worked in a job covered by Social Security for a year and a half or more, should contact the Austin office, 105 Brown Building, at once.

Each month the Austin office sends a representative to all the larger towns in its service area. Each local postmaster will be glad to answer inquiries as to the time the representative will be in the community.

JONES PRAIRIE NEWS

BY MRS. S. S. HICKMAN

Rev Charles D. Murry, minister student at Baylor University was guest speaker Sunday for both the morning and evening services at Little River Baptist church. Rev. Murry needs no introduction as he supplied for the former pastor, Rev. Stanley Ray on several occasions. He was a dinner guest of Mr and Mrs. T. B. Stidham. Other dinner guests in the Stidham home were their son and family, Mr. and Mrs. Jack Stidham and children, Patsy and Jackie and Mr. and Mrs. Charley Withers of Burnett.

S 1-c Leland Burnett of San Diego, Calif. spent a few days leave with his parents, Mr and Mrs. W. B. Burnett. The occasion called for a family reunion. Other children coming for the week end were Mr. and Mrs. Moye Burnett and daughter, Sandra Bradley Burnett and friend, Miss Minnie Belle Hays and Carlton Burnett of Beaumont. Mr. and Mrs. Jack Burnett and daughter, Sherry of Lake Jackson, Mr and Mrs. Giles Burnett and children, Margaret and Newton of Marlaw.

Guests in the home of Mr. and Mrs. J. D. Martin Sunday were Mr. and Mrs. Ned Culp of San Gabriel.

Mrs. Jack Pond is spending the week with her daughter and family Mr .and Mrs. Paul DeVille and David of Dallas.

Mrs. J. A. McKinney is a patient at King Daughters Hospital in Temule for a tonsil operation. Friends wish her a speedy recovery.

Mrs. Marvin Hickman is attending clases at Baylor University working toward her Master's degree.

Mrs. S. M. Harrell, Mrs. Dick Young and Miss Evelyn Harrell shopped in Waco Wednesday.

Thomas Yager of Houston visited his parents, Mr. and Mrs. E. B. Yager over the week end. Mrs Yager and daughters, Pamela and Jenne are visiting her parents in Gulf Port, Mississippi.

Mr. and Mrs. Marvin Hickman spent he week end with her mother, Mrs. M. P. Carroll of Houston.

Mrs Harry White and children Craig and DeLane of Freeport, Mrs. Ira Lee Parker and sons, Arthur Lee and Garden of Milano spent last week with her parents, Mr. and Mrs. A. L. Burnett. Mrs. and Mrs.. George Burnett and family of Freeport spent the week end in the Burnett home.

Mesdames B. L. Harrell, Grover Stubbs, Bert Thrasher and Miss Effie Tyson of Rosebud were recent guests of Mrs. B F. Stidham and Miss Roxi Allday.

Mr. and Mrs. James Harrell and sons, James, Jr., of Dallas spent the week end with her parents, Mr. and Mrs. J. P. Harwell and Mr. and Mrs. Robert Glenn.

Mr. and Mrs. Hetzel Burnett and son, Rodney of Houston visited his parents, Mr. and Mrs. J. H. Burnett over the week end.

Mr. and Mrs. Frank Douglas of Houston were recent guests of Mr. and Mrs. R. K. Fontaine.

Mr. and Mrs. Pool Jamison and daughter, Sara Ruth of Freeport spent the week end with his mother, Mrs. J. A. Jamison.

Mrs. O. T. Canady and son, Wayne, Mrs Joe Clark and children Sharron and Tommy visited relatives in Houston the past week end.

Mr. and Mrs. Lester Turner and twins, Earl and Berl and Miss Vera Ruth of Cameron visited Mrs. Turner's parents, Mr. and Mrs. E. E.. Pool Saturday evening.

Mr. and Mrs. Ross Ray and son, MacLin of San Angelo spent Saturday night with her sister, Mrs. J. B. White and accompained Mrs. White to the Hunt Ranch Sunday.

Postmaster Hays Announces Meeting

There will be a meeting of the Postmasters of the Eleventh District at the Cameron Country Club on Friday, June 22 at 8 P. M. it was annonuced by Postmaster John R. Hays.

Suggestions have been made that a meeting be held for the purpose of further discussing the forming of a district organization and supporting a district publication similar to the one put out by Roy Eddins, postmaster of Marlin. Whether you are in favor of either of the propositions should not hinder any postmaster from attending the meeting on the 22nd.

Mr. Hays says it will be necessary for each postmaster to contact him if you plan to attend so that necessary arrangements can be made for dinner that will be served at the club. A chicken barbecue dinner will be served at a nominal cost. The wives and families of the postmaster are invited to attend the affair.

The program will be under the direction of Clyde Franklin, postmaster at Rockdale and an evening of good entertainment has been provided.

Firemen Divided On Site Location

The City Council met in regular session Tuesday night and immediately took action on the proposed erection of a Municipal Building.

A motion was made by Alderman Johnnie Andres to call a bond election in the amount of $55,000.00 to erect a municipal building at the present location of the fire station and house other city businesses. Mr. Andres made the motion before any discussion could be held on the matter.

Alderman Andres gave a report of the plans on the building and made the motion to the effect of calling the election. Alderman August Kunz seconded the motion.

A roll call vote was called and this is how they voted. Aldermen Andres, Kunz and Robert Weems voted in favor of calling an election to locate the new building on the present site. Alderman O. B. Harden voted against placing the municipal business of the city in that part of town. L. Van Perkins was ill and could not attend the meeting.

Mr. Harden told the group that he would like to go on record as recommended the proposed plan that the Cameron Planning Board recommended to the Board of Aldermen in 1945. He said h ethought the municipal building that the planning board mapped out was what the majority of the people of the city wanted and that the people should have a voice or vote as to the proper place of the new structure.

The Municipal building recommended by the Planning Board provided necesary spaces for the city government departments, adequate offices for the Health Unit, Offices of the Chamber of Commerce and space for meetings to be held; provide a home for the Volunteer Fire Department to house fire fighting equipment and additional space for the fire trucks, a recreational room for the firemen as well as an assembly room. The resident fireman will have living quarters, well appointed. The building will have space for additional firemen who can be available for calls and thus our key rate will be influenced.

All of these modern facilities can be erected in the modern municipal building advocated by the Planning board which alderman O. B. Harden recommends as what the people really want. The plannnig Board designated and recommended that the Municipal Building be located on the grounds facing West, known as the extension to the City Central Park, between 7th and 5th streets on North Fannin. The Planning Board also recommended the building to be erected as a memorial to the Volunter Fire Department. Personally, we believe the firemen should get first consideration and be given adequate facilities.

Mr. Andres said that the firemen met Monday night, June 4 and there was considerable dissension among them as to the location of the structure. Some of the firemen have indicated that they would fight a bond election to erect the city building on the present location.

The plans outlined by the planning board have been completed for several years and the blue prints and specifications have been madeu p.

CARD OF THANKS

We are grateful to our friends and neighbors for their kindness to us during the death of our dear brother, Floyd Bussa. Especially are we grateful to Sheriff Carl C. Black and those who helped him for their untiring efforts, to those who sent flowers, cards and food. Our sincere prayer is that God will bless each of you.

Mr. and Mrs. Edd Bussa and family.
Mr. and Mrs. Jack Bussa.
Mr. and Mrs. Seth Dees and family.
Mr. and Mrs. Joe Long and family.
Mrs. Cordie Kornegay and family.

Clark Burnett of Fort Worth is vacationing in Cameron with his parents, Mr. and Mrs. A. W. Burnett and other relatives and friends. Mr. Burnett is employed with the Telephone Co. at Fort Worth.

Mrs. A. B. Buffington of Temple was a visitor in Cameron Wednesday.

Oxsheer Smith Speaks To Water Association At Temple Meeting

Oxsheer Smith, president of the Citizen's National Bank, was the main speaker at the meeting of the Central Texas Water and Sewer Works Association, Thursday Night June 7, in Temple.

Mr. Smith is amember of the Brazos River Reclamation Board and has been an active member of this important board for a number of years. He gave an impressive talk on the phases of Texas Waters. Mr. Smith has made a thorough study and analysis of the many Texas rivers and streams. He pointed out the importance of conserving water and said that dams are planned for the Lampasas and San Gabriel Rivers.

There were a number of other reports given by members of the association that were of great importance to the work carried out in this organization.

Several from Cameron attended the meeting, which was held in the Central Fire Station Building.

Betsy Caperton To Represent Lions Club As Queen Candidate

Betsy Caperton, daughter of Mr. and Mrs. Narvie Caperton, will represent the Cameron Lions Club at the Annual State and District 2X Convention as a candidate for "Queen," to be held in Waco June 10, 11 and 12.

Miss Caperton is a Junior in Yoe High School and has been chosen by the Club to participate in the contest. A number of members of the local club plan to attend the convention and are as follows Herbert Nance, president-elect, Woodrow W. Lowe, president, Bert Nicholson, Dr. Gus Evans, Dr. George Bowman, Narvie Caperton and Ben Reichert.

A number of outstanding entertainments have been arranged.

Mr. and Mrs. Roy Law have recently visited their son, First Lt. C. R. Law and family in San Antonio, Texas, where Lt. Law is based at Kelly Field. Lt. Law had just returned from a most interesting and unusual six weeks trip that took him to Damascus, Syria, where he delivered an airplane to the Air Attache there. On the trip over he stopped in Labrador; Greenland; Iceland, Paris France; Germany; Athens, Greece; and Rhodes.

Mrs. E. R. Hearne and three children of Bryan are visiting relatives in Cameron this week.

Mrs. D. C. (Kelly) Littlepage and granddaughter, Kelly Ann have returned from Dallas where they have been visiting.

Plans Completed For 2 Weeks Camp

Preparations are rapidly being completed for the officers and enlisted men of Battery C, 649th Anti-aircraft Artillery Battalion to attend two weeks of National Guard summer camp Camp Polk, La., beginning June 10th, Capt. Rudolph Michalka, the Commanding Officer, announced today.

He said that some of the Battery's equipment, including its half-tracks already is en route to Camp Polk by truck. The rest of its vehicles will be driven through to camp as a part of a convoy on Saturday, June 9th, by members of the unit. Most of the Battery's personnel, however, will make the trip by rail, and will be picked up by a special train coming through Cameron at an early hour on Sunday morning. The Guardsmen will travel in chair cars; they will have a kitchen car for meals en route to camp.

At Camp Polk they will be quartered in barracks and eat in mess halls, so there will be little "roughing it" as was the case in the encampment at North Fort Hood last year. It is reported that PX's, movie theatres and Service Clubs will be open for use by the Guardsmen in their off duty hours.

Battery C is scheduled to return home on June 25th.

Capt. Michalka said that Battery C still has openings for enlisted men, and any young man, 17 to 35, who would like to attend summer camp with the unit should make inquiries at the armory immediately.

Commenting on other Guard developments, he said that Cpl. Johnny L. Balcar will attend the Army's service school, the Anti-aircraft Artillery and Guided Missle Branch of the Artillery School, at Ft. Bliss, Texas, where he will take the Anti-aircraft Artillery Weapons Maintenance Course.

M. J. Jistel of Cameron will be among the 137 University of Texas Geology students to attend the special summer course held at the University Station field near Brady and at College Station it was announced by Arthur H. Deen, chairman of the Geology Department.

General Meeting Of Colored Citizens Set For June 20th

The committee for the Colored Park Association appointed by the City Council, met Monday evening June 11 it was disclosed by C. L. Sadbury.

The purpose of the meeting was to appoint a number of other committees to work in the further development of the park, and outline a program of work. This organization has been active in the progress of its undertakings in recent years and many additions have been made at the park.

A general meeting of all the colored citizens has ben called for June 20th at 8 P. M. for committee reports and the presentation of the program for the summer months and make plans for the association's recommendation to the City Council.

The association is asking for suggestions from the citizens on ideas for improving the park as they are striving to make the park a place of recreation for the colored youths of the town.

Committees named are as follows; Management, C. R. Walker, chairman, Jessie Thompson, Arthur Kelly, Lem Homer and Horace Cavanaugh; Recreation, D. S. Poole, chairman, E. L. Aycox, Hubert Knight, Henry Knight and Buster Woods; Public Relations, Katie Bailey, chairman, J. L. Burks, Rev. C. W. Henderson, C. A. Aycox, Charles Harmon; Local Finance Welfare, Ed Nellum, chairman, W. H. Burks, E. L. Hunter, Jack Smith, and Will Turner, Financial, Ira Canady, Ellis Young, Edd Nellum, E. L. Hunter; Parks Committee, C. L. Sadberry.

Mr. and Mrs. Vernon Mayfield and little son, Jack of San Antonio recently visited in the home of his father, Mr. and Mrs. J. C. Mayfield.

REAPPOINTED TREASUURER

ROY GARRETT WATSON

Roy Garrett Watson of Houston, who has been reappointed Treasurer of the Mother Church, The First Church of Christ, Scientist, in Boston Mass., at that church's Annual Meeting in Boston.

For 27 years owner of The Houston Post, and also founder and formerly editor of the Houston Evening Post, Mr. Watson retired from business in 1924 and since then has been active in various capacities in the Christian Science movement. He is a registered Science practitioner and authorized teacher. This is the 11th consecutive year that he has been named Treasurer of The Mother Church.

Complete defense from disaster and destruction is immediately available to every individual and nation through spiritual understanding of God, the Chrstian Science Board of Directors declared.

Taking note of the world crisis they affirmed that the deepest laws of the universe are spiritual laws of harmony— and can be utilized for individual protection and preservation of human freedom.

Their special message was read at the annual Meeting of the Mother Church, The First Church of Christ, Scientist, in Boston, to nearly 7500 Christian Scientists assembled from all over the world.

In their message the Directors called for individual spiritual courage in meeting critical global problems. They said Christian righteousness has never been defeated and forecast "great spiritual progress" ahead.

Mr. and Mrs. Cage Kennon and two sons of Rosebud spent Sunday with her mother, Mrs. G. T. Hightower.

Mrs. James R. Curtis and daughters, Suzanne and Janice of Houston are visiting in Cameron this week.

Mr. and Mrs. Clarence Wilson of Rosebud spent Sunday in the home of his mother, Mrs. R. W. Wilson.

Go To Church Sunday.

POWER-PACKED
-and then some!

THERE are a lot of reasons you can expect a new GMC to keep hauling a lot longer than any other truck you can buy.

First is the fact of horsepower. Whether it's a gasoline-powered ½- to 2-tonner with horsepower unbeaten in its class, or one of the new heavy-duty Diesels—*you can't beat a GMC for "go"!*

But the extra value you find in these great trucks doesn't end at the power plant.

There's the smooth GMC Synchro-Mesh Transmission linked to a sharp-shooting drive line, pouring every ounce of power back to the rugged rear axle. *And the solid way horsepower becomes wheel-action*—you know there's extra depth of truck performance engineered right down through the broad-shouldered frame of a GMC!

And standing guard over these long-time trucks are husky brakes with more area than most—the surest, easiest steering ever devised to direct a pay load home—all controlled from a spacious "Six-Footer" Cab that's Weathersealed for a lifetime.

GMC's are made in the widest variety of engine-body-chassis combinations to meet any trucking need. And the prices? *No better buy anywhere!* Come see for yourself.

Get a real truck!
Your key to greater hauling profits

The Cosby Family Holds First Annual Family Reunion Sunday

The family of the late Mr. and Mrs. T. R. Cosby, Sr. made a pledge last year after the funeral of their mother to all get-together on the second Sunday of each year in June.

The following attended the reunion last Sunday, June 10, 1951, at Ledbetter Park; Mr. and Mrs. V. C. Cosby and two sons and Mr. and Mrs. Lee Cosby and son and daughter all of Mertens, Texas, Mr. and Mrs. Dave Gann and Mr. and Mrs. Adolph Jurca and three children all of Buckholts, Mr. and Mrs. W. T. Gann and daughter and Mrs. Gann's mother, and Mr. and Mrs. Tom Turner all of Cameron.

Mrs. Sarah Turner Bankston of Rockdale, Clayton Turner and little son, Tommy of Dallas, Mr. and Mrs. Joe Ford of Yarrellton, Mr. and Mrs. Randle Sparks and son, Randy of Houston, Mr. and Mrs. R. M. Cosby and daughter of Branchville, Mr. and Mrs. Burdell Cosby of near Lubbock, Mrs. Cosby's mother and sister of Luling, Mrs. Walter Ford of Galveston, W. O., J. C., and Mrs. J. C. Cosby and son and daughter of Ft. Belvoir, Va.

Mr and Mrs. T. R. Cosby and four daughters of Hearne, Lloyd Gann, son and son-in-law of Dallas, and Ford Cosby of Rockdale.

There were a number of grandchildren and one son-in-law who could not attend. Everyone enjoyed a picnic lunch and made plans for their annual meeting next year.

Miss Tindall Is Given Birthday Dinner Sunday

Miss Johnnie Tindall of Austin was given a big birthday dinner at the home of her parents, Mr. and Mrs. John Tindall at 821 N. Milam Sunday, June 10.

Enjoying the occasion were Mr. and Mrs. Hugh Ridout, son, Hugh Glenn and daughter, Dorothy of Belton, Leland Tindall, Mr. and Mrs. Sam Tindall and Mrs. A. B. McFarland.

A delicious dinner was served at the noon hour.

Miss Tindall is employed in the office of the Telephone Co. at Austin.

Mr and Mrs. Bobby Reese and son, Randy were visiting Mrs. Reese's parents, Mr. and Mrs. J. W. Lempa, in Lockhart the past week end.

Mrs. Hallie Glass and Mrs. J. B. White attended the homecoming of their graduation class at Belton High School last Saturday.

Mrs. Ida Hunter of San Antonio is spending a few weeks visiting in the home of her sister, Mrs. India Stidham.

R. C. (Bobby) Wood Miss Ouida Holmes Wed At Church In Mexia

Mr. and Mrs. Robert C. Wood, who were married Sunday afternoon in the First Methodist Church of Mexia, will make their home in Waco at 1900 Herring Avenue after a wedding trip to Mexico City.

The bride was formerly Miss Ouida Holmes, daughter of Mr. and Mrs. L. L. Holmes of Dallas. Mr. Wood is the son of Mr. and Mrs. L. C. Wood of Mexia and formerly of Cameron, where Mr. Wood was football coach and Bobby attended Yoe High school.

A number of Wacoans attended and participated in the wedding. Three Wacoans, Louie Hulme, David Campbell and George Raborn, were ushers. Dr. Ed D. Dunlap, pastor of First Baptist Church of Bellmead, performed the wedding ceremony.

Given in marriage by her father, the bride wore a dress of white nylon marquisette over white taffeta, with a yoke in the bodice outlined by a bertha edged in white medallions. Her fingertip veil of illusion was caught to a small white bonnet outlined with seed pearls. She carried a bouquet of white blossoms centered with an orchid.

L. C. Wood attended his son as best man, and the other ushers were L. D. Holmes of Dallas, brothers of the bride and Jimmy Adams of Mexia. Wedding music was by Mrs. Jack Matkin, soloist and Mrs. Wyatt Hayter, organist.

After the ceremony a reception was held in the educational building of the church.

For their wedding trip, the bride chose a navy irish linen bolero dress trimmed with whte pique. Her accessaories were white pique. Her corsage was an orchid.

The bride is a graduate of Mexia High School and the bridegroom is a graduate of Mexia High School. He attended Baylor University where he was a member of Sigma Delta Chi.

He is now employed with the Waco Times-Herald newspapers.

The Bigbee Family Meets For Reunion

Mrs. Lottie Bigbee and her children gathered at the home of her son, Mr. and Mrs. W. D. Bigbee, Sunday, June 9, 1951 for a family reunion.

Those who enjoyed the occasion other than the above named were: Mr. and Mrs. Edwin Bigbee of Palestine, their daughter, Buryl and husband, A. W. Wagner and little daughter Linda of Houston; Mr. and Mrs. Billy Bigbee of College Station and Mr. and Mrs. Bob Barnett and children, David, Bobby, Martha and William of Bay Town.

Mrs. Martha Shepherd and Mrs. India Stidham were also guests for the day.

To Do Intern Work At Cleveland

Samuel W. Law gets his M. D. degree from Baylor University College of Medicines June 11th. Out of a class of 79 he is one of the four high students. He is a member of Phi Beta Pi Fraternity and also one of eleven of the class of '51 to be elected to Alpha Omega Alpha, a non-secret College Medical Honor Society, membership in which is based upon scholarship and moral qualifications. It was organized in 1902 with the definite mission of encouraging personal Honesty and the spirit of medical research.

Dr. Law got his D. V. M. in 1945 from A & M College and practiced Veterinary Medicine one year in Austin, Texas. Then he taught Pathology at A & M College and did graduate work one year entering Baylor University College of Medicine in 1947.

Dr. and Mrs. Law and son, Sammie leave the last of June for Cleveland, Ohio where Dr. Law will intern in the Cleveland City Hospital.

Company Officials Praise Local Service Station Owners

An article appeared in the Lubricator magazine, publshed by the Humble Oil and Refining Company Sales Department in the interest of all those engaged in the Sale and distribution of Humble products, honoring Schiller Motors and Schiller Service Station.

Jerry B. Schiller and Milton J. Schiller, owners and operators of the firm, received a letter recently from Hines Baker, president, of Humble Oil and Refining Company congratulating them upon having one of the cleanest and most modern service stations of the day. Their place of business always passes the companies inspection regulations in the highest degree and the unique management in meeting their customers and general public highly pleased the company officials.

Mr. Hines said the new modern brick station on Highway 77 was built with the traveling public in mind in order to give the fastest and most efficient service. He said also that he had received many lettrs from out-of-state travelers commending the Schiller Boys on their splendid service they were rendering to the public

The Schiller Service Station is one of the most modern Stations in Centeral Texas.

How To Make Use Of A Home Deep Freezer

Leave room in your home freezer for plenty of fruits and vegetables, says Maeona Cox, foods and nutrition specialist for the Agricultural Extension Service of Texasc A. & M. College. The nutritive value and flavor of frozen foods are nearer that of the fresh product than any other means of preservation, the specialist adds.

Miss Cox suggests 5 steps to successful freezing of fods:—first, start with a good quality product. Freezing does not improve quality just conserves it, so select fruits and vegetables of good variety and harvest at the right stage of maturity.

The second step is careful preparation and speed. Prompt handling, chilling and freezing helps retain quality.

The third step is select containers which are moisture and vapor proof to keep the product from losing flavor, color, food value, and changing in texture.

Then freezing quickly at the right temperature. Home freezers are designed primarily for storing foods, but you can freeze small quantities of vegetables and fruit by placing the packages against the bottom or sides of the freezing chamber with space left around them, for air circulation.

The last step in successful freezing of fruits and vegetables is to sore them at zero degrees F. If the temperature rises, the food changes in color, flavor and loses food value.

For these five steps, detailed tables and directions for different fruits and vegetables, get a copy of the bulletin B-175 "Frozen Foods, How to Freeze, How to Cook," from your county extension agent's office.

Harold Balhorn of Seguin is managing the local Duke and Ayres Store in Cmeron while the manager, E. L. McGuire is on vacation. Mr. Balhorn wil manage the Duke and Ayres store at Ennis and Lockhart while the managers go on vacation. Mr. Balhorn is the son of Mr. and Mrs. W. W. Balhorn of Cameorn.

Bill Helner of Pharr visited friends in Cameron last week end enroute to his home from Fort Worth where he had spent a week with friends.

Jaycees Ask Motion Be Rescinded

One of the most outstanding meetings in the history of the Junior Chamber of Commerce was held Monday night, June 11, with Frank Richter, Jr., presiding.

After regular routine of business and the committees closed discussion on the Beauty and Talent Contest, "the works unfurled."

L. Van Perkins, who for many years has been a leader in the civic progress of the city of Cameron gave an important and factual demonstration, using a recent map of the city, showing the importance of locating the Municipal Building in the most suitable part of the city which was agreed upon by all the Jaycees except two or three.

In his demonstration, Mr. Perkins highly recommended the City Park lot between 5th and 7th streets as the ideal location for the building, the same site proposed by the Cameron Planning Board in 1945. He said as a member of your City Council, "I am for building the best municipal building, fire station and other needs that can be erected and I'm for my city 100 per cent in such a movement." This statement seemed to please the Jaycees and the firemen present. He went on to say that Cameron has one of the best Volunteer Fire Departments in the State and they deserve the best, but for the city's sake, let's build it in a place that we can be proud of.

Mr. Perkins told the group that a new brick building, 110 feet by 50 feet could be built for approximately $45,000.00 that would house the city government, health unit, water department, fire department and other city needs.

Mr. Perkins said he was not in favor of spending $55,000.00 of the taxpayers money on a municipal building and repairing the fire station on the present site when for the same money could build th esame structure in a more suitable location that would greatly add to the civic pride of the town. Alderman Perkins went on to say that if Cameron would build a new fire station with adequate equipment, better fire fighting facilities, enlarge water mains, widen the streets and other needs, the key rate would probably be lowered from 32 to 22 points or, one-third, that would save the taxpayers of the city, approximately $15,000.00 a year.

Mr. Perkins praised the services of Frank Richter Sr., who has been so faithful through the many years as the Fire Department truck driver. Mr. Richter has been employed by the city for the past 32 years and deserves a good livable place for his family.

Rev. Jim McKeown challenged a number of statements that Mr. Perkins made regarding the bond election that was called by the council during the illness of Mr. Perkins but they didn't seem to interest the Jaycees to much.

Other Jaycees entered the discussion with their viewpoints on the matter and brought out interesting points.

Milton Schiller, past president of the Jaycees, made a motion that the Jaycees not back the firemen in the bond issue unless they rescind the location site in the motion that was made and passed at the City Council meeting recently.

At a JC meeting a few weeks ago with only a few present, the motion was made and passed to support the firemen's request to the city council to build a fire station. Since that time a municipal building has been added to the deal which has greatly affected the situation.

The Jaycees want the best building built that will please the taxpayers as well as the firemen.

B & PW Installation Service Held Recently

New officers for the Business and Professional Women's Club were installed in a candlelight ceremony at the Cameron Country Club at 9:30 a. m. Sunday morning, June 3.

Eighteen members were present for the installation service and a breakfast which had been arranged by a committee headed by Mrs. Gene Goldfarb.

Mrs. James Brock, out-going president and installing officer was president with a pin by other members of the club during the program.

2 Ngroes In Jail After Saturday Night Brawl

Queen Ester Brown, negro woman was painfully injured as a result of a fight Saturday night with Willie D. Nobles at her home in the "Flat."

A heated argument began between the two negroes and Nobles picked up a shot gun, hitting Brown over the head and shoulder, cutting a number of gashes on the woman's head. She was taken to the Newton Memorial Hospital for treatment of wounds but was later placed in jail. Nobles was immediately placed in jail by Sheriff Carl Black.

Mrs. Rosa Kemp Adams and sister, Mrs. Lucille Kemp Byrom of Houston are spending several days in the Kemp home on West Main Street.

The L. J. Zavrel Family Returns From Summer Vacation

Mr. and Mrs. L. J. Zavrel and two young daughters, Nancy Jane and Patricia Ann of Buckholts have returned from a vacation trip. They visited with Mrs. Zavrel's sister, Mr. and Mrs. Walter Stark in San Angelo and also visited in the home of Mr. and Mrs. Conrad Fuessel at Eola.

Mr. Zavrel is employed with the Santa Fe Railroad with his headquarters at Buckholts.

The oldest daughter, Nancy Jane is one of the dancing students of the Ruth Jane Byron Dancing School whose name was drawn, and received a scholarship which entitles her to one free year of dancing. Nancy Jane has been taking tap dancing for the past year and took part in the dancing recently held at the Yoe High Gymnasium.

Cameron Colored Park Association Makes Improvements At Park

The Cameron Colored Park Association recently met and elected officers and they will be announced soon at the installation service. The organization will continue to improve facilities at the park and the newly elected officers are scheduled to meet soon and work out a program for the coming year.

The park is located in the extreme northwest part of the city and is used as a recreation center for the colored people for baseball, and other sporting events. The field is equipped with adequate lighting facilities.

The colored citizens have devoted much of their time and effort in the development of the grounds.

The Association has made a number of improvements on the park in the past few years.

Jesses Thomas, president of the Association, has served in that capacity for the past four years and presents th efollowing statement: Money raised by the Association totaled, $875.43 and the following expenses have been paid out; lumber from the William Carey Lumber Co., $341.30; the purchase of a building, $150.00; carpenter work, $115.11; Culpeppers, $69.30; wiring building, $30.00; Weid Hardware, $30.00; Austin Banks for clearing down house, $25.00; Jesse Thompson, pulling work, $15.00; Posts $23.00; James DeBose for hauling; $15.00; Ed Brown for grading the park, $15.00; Paris Heard for hauling, $8.00; Utilities, $34.32, making a total of $873.43.

Miss America May Be In Cameron

Announcement has just been made by the Cameron Junior Chamber of Commerce that our community will send a representative to the state finals of the Miss America Pageant, which will be held in New Braunfels on August 3, 4, and 5, 1951.

This decision was reahced by the Board of Directors after reviewing an invitation received from state headquarters and Dr. George Bowman, well known for his civic work in the city, will head the committe in charge of the project.

Local girls, between the ages of 18 and 27, who are high school graduates and who are unmarried, will be invited to compete for the honor of representing our city at the state finals. Chairman George Bowman will announce the entry Committee within the next few days, and the search will begin in earnest for the Miss America.

She will not be the most glamorous girl in the world, nor perhaps the most talented, but she will be a typical American girl, with charm, poise, intelligence, character and a sincere ambition to develop her talents through the opportunities offered by participating in the contest.

She will be seeking one of the seventeen educational scholarships, amounting to $26,000, offered annually at the national finals of the Miss America Pagant in Atlantic City.

The reigning Miss America, Yolanda Betbeze of Mobile, Ala., who has been quoted hundreds of times in the press this year, definitely warns us that beauty will not win the coveted title, for Pageant officials are seeking the "Typical American Girl" who might be your next-door neighbor" and Cameron has many such potential successors to Yolande's crown.

The committee is asking the citizens to aid it in its search for Miss Cameron or Miss Central Texas. If she lives next dor to you, won't you write us a letter or telephone us the information. "We will then contact her and her parents so that they will fully understand how our contest is to be conducted and why she has been invited to participate."

Janice Simecek, little daughter of Mr. and Mrs. Alfred Simecek of Cameron is at Crippled Childrens Hospital at Waco this week where she is getting her braces adjusted.

Yarrellton Church Host To Workers

The Baptist Workers Conference will be held at the Yarrellton Baptist Church Friday night, June 8th, it was disclosed by Rev. P. A. Corkern.

The program will get underway at 5:45 P. M. with a Board Meeting. The remainder of the program will be as follows: Supper at 6:30; Song and Praise with H. F. Schulz, leading, 7:15; Devotional, Rev. Jack Hudson at 7:30; V. B. S. and its place in the program of the church, Rev. Ralph Powell; 7:45; R. A. Encampment and Brotherhood Round-Up, Harry Pesnell, 8:00; Announcements, Roll Call, Awarding Banner, 8:20; Report of Organizer, 8:25; Special Music; 8:30, Sermon, Rev. W. H. Towsend, 8:35; Adjournment at 9:10.

Rev. Corkern is urging that as many from the Cameron First Baptist Church to attend as possible. Other churches should make special effort to send as many representatives to the conference, as possible.

R. C. Hopkins of Huntsville was a guest in the home of his parents Mr. and Mrs. R. W. Hopkins at Buckholts Friday. Mr. Hopkins is manager of the Ferguson State Farm at Huntsville.

Melvin Halpain who was injured recently is resting well in Newton Memorial Hospital.

Mr. and Mrs. Bill Storey left Saturday for Houston where Mr. Storey will enter the Southern Pacific Hospital for a check up. Mrs Storey plans to visit relatives and friends while there

Frank Erms is ill and in Newton Memorial Hospital for treatment.

Here's 180 Horsepower... on regular grade gas—Now!

It's always interesting to hear about future-looking experiments with new super engines to run on new super-octane fuels...someday.

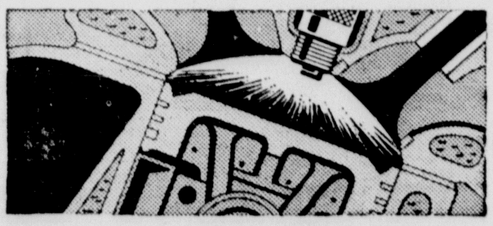
But it's even more interesting to hear today's real life, *on-the-highway* talk about Chrysler's new super-performing FirePower engine. FirePower takes any regular grade gas you care to buy . . . and adds its own new *mechanical octanes* to the power-giving octanes of the gasoline itself. The result is 180 horsepower performance such as no other passenger car built in the U.S. today can equal.

If you haven't driven Chrysler FirePower yet, your Chrysler dealer invites you to do so now. It's the most revolutionary engine in 27 years. It offers highway satisfaction and safety such as you've never known.

And it's a sounder engine other ways than any other on the road. Its new design keeps it almost completely carbon-free. It is smooth and quiet . . . but also rugged and strong and free from need for great attention and repair.

Now remember that this same new Chrysler offers you the new Hydraguide *power* steering* . . . plus the amazing new rough-road stability of Oriflow shock absorbers . . . plus Water-Proof Ignition, and Vacu-Ease Chrysler Cyclebonded super-brakes . . . then come see what we mean when we say the car of *your* tomorrow is right here for you to drive . . . *today, and for years to come!*

*Hydraguide regular on Crown Imperials, optional at extra cost on other Imperial and New Yorker models.



180 HORSEPOWER Here's the new *Hemispherical* Combustion Chamber that's the heart of Chrysler FirePower. Its new, designed-in "mechanical octanes" make regular grade gas do what best premium grades *can't* do in any other engine you can drive today!

Chrysler FirePower
finest engine ever put in an automobile

GREEN MOTOR COMPANY, Corner Howell and 7th Streets

Jaycees Announce Detailed Plans

The Miss America Pageant of Cameron and Central Texas, sponsored by the Cameron Junior Chamber of Commerce, the outstanding event scheduled on the Jaycees Summer Calendar will be held at the Yoe High Gymnasium, Friday July 20, at 8 P. M..

This civic organization, directing and promoting such an activity realizes the important factors in making this movement a big success.

Dr. Gus Evans Jr., president, has appointed the various committees that will take care of the many detailed arrangements.

At a called meeting of the committees, Thursday night, June 7, Dr. Evans stressed the need for complete cooperation of all committees and members of the organization as it will be a vital factor in the success of this important undertaking of the Jaycees.

Last year a similar program was staged with Miss Gwynn Wilson, the Cameron Jaycees entry, winning second place as Miss Texas at New Braunfels. Since Miss Wilson's honor received such state wide publicity, there will no doubt be a number from this area to enter the contest this year.

Dr. George Bowman, chairman of the project has announced that only 25 entries will be accepted. The first 25 filing their entries will be accepted by the committee in charge of entries. The deadline date for filing application in July 14. The entrance fee has been set at $15.00. Business houses of the City are invited to sponsor an entry.

The Junior Chamber has obtained a sub-franchise that gives exclusive right in Cameron and adjacent areas. A number of the surrounding towns and cities will be contacted in regard to placing an entry.

Rules for the contestants are as follows: Contestants must be a resident of the city, state or territory in which local contest is held six months prior to contest; she may not compete in more than one Official Preliminary contest each year; (2) Contestant must be single, and never been married, divorced, or had marriage annuled; (3) Contestant must be a high school graduate or a senior attending high school at time of contest; (4) Contestant's age on September 1 shall be not less than eighteen, nor more than twenty-eight years; (5) Contestant must be of good character and possess poise, personality, intelligence, charm and beauty of the face and figure; (6) Contestant must possess and display in a three-minute routine of talent. This talent may be singing, dancing, playing a musical instrument, dramatic reading, or she must give a three-minute talk on the career she wishes to pursue; (7) Contestant may be either amateur or professional.

A reception will be arranged at the Cameron Country Club at 4 P. M. July 20 for the convenience of all contestants to meet and be introduced to one another before the contest. Contestants are asked to be dressed in street clothes at the reception, bringing with them a one-piece bathing suit and a formal evening gown.

A chaperone committee of mothers has been named and will serve as hostesses for contestants during the evening. A luncheon will be served at 5:30 at the Country club. Contestants desiring and further information may phone 131 or 237.

The scholarship award of $250.00 will be presented to the winner of the contest, who will go to the State Contest in New Braunfels, in August. There will be a first and second runner-up named also and will be awarded a trophy.

In the absence of President Evans Monday night, Frank Richter. Jr., presided at the meeting and encouraged that all the committees meet jointly from time to time and discuss business matters that needs to be taken care of pertaining to the contest.

Much work will have to be done in such a short period of time, Mr. Richter added.

Another name was drawn from the hat for the "Kitty." This time Joe O'Neill's name was drawn but he was not present so the ":Kitty" continues to grow and now has $13.00. A name is drawn at each meeting that is why it is important that each member be present at every meeting.

Go To Church Sunday.

Keep Cool With Florida Frosts

The sun may keep the temperature up these summer days, but you can keep your own temperature down by eating and drinking wisely.

And probably the wisest choice in a way of beverages are fruit juices, which you can get now so conveniently canned right at the source of their goodness, in the Florida citrus grove country.

Canned citrus juices contain plenty of vitamin C, which is a daily need summer as well as winter, for grownups and children alike.

Citrus Soda

For each soda, combine 2/3 cup chilled Florida orange juice with 1/3 cup chilled gingerale in a tall glass. Add a large scoop of vanilla ice cream and two straws, and you have a treat in any weather.

WE DON'T EXPERIMENT with your radio— WE repair it—you pay less for our service. Any make radio. PARMA RADIO SERVICE.

Mr. and Mrs. Z. H. Fitzgerald and two children, Billy and Mary Ann of San Marcos were guests of Mr. and Mrs. Ed Gunn Sunday.

Scout Day Camp Activities Get Underway Tuesday June 12

Amid showers of rain, thunder and lightning, Mrs. Lester Williams started the wheels rolling Tuesday morning on the first day of Girl Scout Day Camp.

Brownies and Girl Scouts poured into the little house in Wilson-Ledbetter Park at 8 A. M. to register and pay their fees.

Before the day was over some 62 had registered, three being outof-town brownies, Nancy McCelvey of Temple, Martha Barnett, Baytown, and Susan Moore of Dallas. The interests shown by the young scouts was amazing as they were seeking to learn more about scout work from their well informed leaders.

The leaders and assistant leaders were on hand directing all the formalities in the proper channed and giving needed instructions.

The rain did not keep the groups from selecting their camp sites, naming them and engaging in outdoor activities. The scouts planned to cook their noon meal out in the open Wednesday. The scouts were busy making plans for hiking and swimming and nature study which is an important factor in scouting.

Names of the leaders, assistant leaders, other helpers, individual camp sites and other activities will be forth coming from day to day to be published as news from the camp.

Miss Leona K. Blakey, office manager of the Farmers Home Administration for Milam and Burleson attended an FHA Personnel meeting in Waco Monday and Tuesday of this week.

Mr. and Mrs. Ford Roberts has a week end guests his parents, Mr. and Mrs L. E. Roberts and his sister and family Mr .and Mrs. C. L. Robertson, Jr., and son "Chuck" all of Houston.

Cpl. Fred Mortimer Writes of Mortar Shell Explosion

Mrs. Fred Mortimer has recieved a letter from her husband, Cpl. Mortimer, written recently stating that he had suffered a concussion caused by the explosion of a mortar shell.

Cpl. Mortimer said he had seen sixty one days of continuous days of active duty before being wounded. Mrs. Mortimer had received a telegram from the War Department telling that Cpl. Mortimer had been wounded in action.

Cpl. Mortimer is with the Second Regiment, 7th Division, 1st Marines. His many friends will be glad to hear that he was not serously wounded.

385,000 To Lose Draft Deferments Under Plan

WASHINGTON, June 12— Some 385,000 registrants will lose their draft deferments soon when President Truman signs the new compromise draft-UMT bill, Congressional experts estimated today.

The registrants are men 19-through 25 who are now excused from military service because they support a wife or fail to meet current physical and mental requirements.

The new bill bars deferments for men whose only dependent is a wife, and pegs induction standards at the lowest level of World War II.

The measure also lowers the minimum draft age from 19 to 18½, but experts said it "May be years" before any of the youths are called because draft boards first must exhaust their supply of men 19-through-25.

From where I sit ... *by* Joe Marsh

Hope "Cappy" Told Him Where To Get Off!

"Cappy" Fisher — who just retired after thirty-five years as a railroad conductor — was telling about a salesman who was often one of his passengers.

"That man was so busy," says Cappy, "he used to bring a dictaphone on the train to catch up on his letters. On one trip he'd been rushing around so much he clean forgot to bring his ticket. Left it on his desk."

When Cappy started to tell him not to worry about the ticket, the salesman busts out with "Who's worried about the ticket? It's just that now I don't know what city I was going to get off at."

Cappy might have been pull. our leg, but from where I sit, lo.. of us get so wrapped up in ourselves we often forget "where we're going." Some folks get so narrow they even begrudge their neighbors the right to enjoy a glass of beer now and then. Let's not forget that just as trains run on steam and oil, democracies run on freedom and tolerance!

Dollar for Dollar you can't beat a Pontiac

A Beautiful Long-Time Investment!

We admit that one of the very important attractions of the new Silver Streak Pontiac is its captivating appearance. Nearly everyone says it is a really beautiful car. But if Pontiac didn't have something *in addition* to its beauty, it couldn't possibly be in such tremendous demand today. That additional something is Pontiac's famous dependability. Talk to any Pontiac owner in town and you'll hear a wonderful story of months and years and thousands of miles of enjoyable driving with a minimum of routine service attention.

When you add to the pride of driving the most beautiful thing on wheels the never-ending pleasure of its performance and dependability—plus the knowledge that Pontiac is outstanding as a used car value—then will you realize that, Dollar for Dollar You Can't Beat a Pontiac—a beautiful, *long-time* investment! Come in and get the facts.

Two Local Leaders To Attend Camp

Boy Scouts and Explorers of units of the Heart O' Texas Council are looking forward to a full aquatic program when they attend the Camp Tahuaya in June and July. The spring-fed swimming pool at the camp has been remodeled. The 138 feet by 45 feet pool has received a new concrete floor and sidewalks. Many friends of Scouting have made this improvement possible this spring.

Director of the aquatic program for the five sessions of camp, starting June 3rd, is Fred Kreisch. Mr. Kreisch coached the Baylor University Swimming team during the past year and taught swimming and water safety at Baylor. Prior to that he served in the Physical Education Department at Columbia University. Mr. Kreisch is a Red Cross Water Safety Instructor. Scouts will receive instructions in swimming for non-swimmers, receive water safety and canoe handling instructions.

Each Scout Troop will learn how to conduct safe Troop swims at and away from camp. Afternoon swim periods will be "fun swims" with water games and sports.

Clyde Hay, Camping and Activities Chairman of the Heart O' Texas Council states that this year's Camp Tahauya season will be the biggest and best yet. 574 Scouts, Explorers and leaders from 35 units have already made reservations for camp.

A number of local scouts will leave Sunday June 10 and are as follows—Jeff Burkes, Freddie Fleisher, Ray Green, Tom Howard, Billy Knipp, Nick Nabours, Buddy Streetman, John D. Reichert, Jimmie Ray Smith and Johnny Solomon. They will leave at 2 P. M. and will be accompanied by Stewart Pedkins, leader of Troop 54. Rev. John C. Solomon will leave on Monday to be with the scouts.

Go To Church Sunday.

Miss Joyce Allison is home for the Summer after finishing her freshman year at North Texas tate Teachers College in Denton. Miss Allison is the daughter of Mr. and Mrs. Clarence Dodson.

Mr. and Mrs. Charles Simicek and children, Charles John, Georgia and Delbert of Pasadena spent the week end in Cameron visiting relatievs.

A Tribute--

To Fathers

There's an old saying that "mother knows best." Well, it seems to us that Father, bless him, should come in for some compliments, too, once in a while. It is true, of course, that upon mother's patient shoulders rests the upbringing of the children. And this is as it should be. But let's not forget that Pa is generally the family breadwinner and it is up to him to pay the bills. When day is done and he comes home, make things as cherry and loving as you can. Have a nice dinner ready. Lay out his slippers and his beloved pipe. Show him how much you love him by being kind and considerate. He may not tell you how he appreciates these attentions. But he will. . . . . as all good fathers do!

County Supervisor Attends FHA Personnel Meeting At Waco

Approximately 70 Farm Home Administration Personnel of 40 Central Texas Counties met in Waco the first of the week, it was disclosed by Roy Wright, county supervisor of the FHA.

Mr Wright said that the purpose of the meeting was to discuss loan problems and procedures for 1952.

Louis Dunbar and Bob Nelson were in charge of the meeting.

K. P. Ewing gave an interesting talk on early insect control measures and how many of the members of the FHA had profited by participating in such a program.

L. J. Cappelman, State FHA Director, discussed the general program outline for the coming year

A big barbecue was held on Tuesday to climax the affair.

Both Milam and Burleson Counties are under the supervision of Mr. Wright, and at the present the total outstanding real estate loans and farm operating loans of the two counties amount to $369,681.79.

Miss Mary Earl Sproull has returned to her home after having had an appendectomy operation at Newton Memorial Hospital Saturday of the past week. Friends will be glad to know she is improving She is the daughter of Frank Sproull of Ben Arnold.

Small Retail Stores Relieved Of Filing Price Charts Regulation

The Chamber of Commerce has received a letter from the Office of Price Stabilization with clarification on the recent regulation relieving small retail stores from filing price charts under the retailers ceiling price regulation. Catagories affected by the new regulation fall under regulation 7 and amendment 2 of regulation 7.

"On May 28, 1951, Amendment 5 to Ceiling Price Regulation 7 was issued which permits merchants who sell only those items covered by categories 101 through 895, 920, 1001 through 1030 and whose annual dollar volume of these items is less than $20,000 to elect to continue to price under the General Ceiling Price Regulation.

It further provides that merchants who sell only thase items listed in categories 901 through 908, 915 through 919, 921 through 924, 940 through 985 and whose annual dollar volume of all items sold in their store amounts to less than $100,000 or the items covered by the categories listed in this paragraph amounts to less than $60,000 to continue to price under the General Ceiling Price Regulation.

Supplementary Regulation 29 to the General Price Regulation relieves "squeeze" items that are priced under Section 3 of the General Price issued on May 28, 1951, and became effective on this date."

Cpl. Andrew Ondreas Is Stationed At Fort Biggs Air Force Base

Cpl. Andrew L. Ondreas, son of Mr. and Mrs. Ondreas of Buckholts, has been assigned to the 1st. Tow Target Squadron as a Turrent System Mechanic.

He is now a member of the 97th Bombardment Wing, part of Strategic Air Command's 8th Air Force.

Cpl. Ondreas has been in the service for 18 months and graduated from Yoe High School.

Electric Room Air Conditioner!

"We've just begun to live . . . indoors, that is! And you will too, when you install a modern, Electric Room Air Conditioner. Why? Because you can make the weather just the way you like it." "Cool, comfortable temperature is not the only thing that makes the Electric Room Air Conditioner worth all you pay for it . . . it has plus value! It purifies and humidifies the air, and circulates it at an even temperature throughout the room; filters out dust, disease germs and hay fever pollen; reduces the cost of cleaning and redecorating; and equally important, it costs so little to operate."

"You'll find out, like I did, that it's the finest investment in comfort, health, and happiness you'll ever make."

Your Electric Appliance Dealer has a wide selection of Electric Room Air Conditioners. Stop in and see them now!

TEXAS POWER & LIGHT COMPANY

PLENTY DEGREES COOLER INSIDE

THESE folks are enjoying something that's being pioneered by Buick.

It's freedom from the blinding glare of bright summer sunlight.

It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield.

These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass† with a cool, soft, blue-green tint, in every glass area of the car, front, side and back.

Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows.

This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night.

As we've said, this is something Buick owners were the first to enjoy. It takes its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflow.*

As we've also said—rather modestly—"Smart buy's Buick."

Come in soon and find out what an understatement that really is.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

†*Optional at extra cost—available on most models. (Not presently available in California and Massachusetts.)*

No other car provides all this:

DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

When better automobiles are built BUICK will build them

James "Kelly' Damon Killed In Action; Was Well Known Here

James "Kelly" Damon, former telegraph operator of the Santa Fe Railroad has been killed in action in Korea.

Mr. Damon was well known in Cameron and worked here as an operator with the railroad company for over a year. He was employed by the Pure Oil Refinery and was granted a miltary leave last December 15, and was killed in action May 29. He had written several letters on the "Tough Life of a Soldier in Korea" that had been published in the Nederland Enterprise.

His parents Mr. and Mrs. George Damon were recently notified by government officials of their son's death. A veteran of World War II, he saw much service with the First Marine Division in the Pacific Theatre of War. He was the first of the Refinery's 34 employees on military leave killed in combat in Korea.

In one of his letters published in the Nederland Enterprise had the following comment: "This life in Korea makes you realize how easy people have it in America. The American people don't realize their blessings. If there is a doubt that some people think they have had it hard, or having it such, come to Korea as a man out front."

The sentiment expressed in his letters on the actual facts that conditions in Korea are much more serious than the average Mr. Public might presume. More of his letter may be published in the near future.

MRS. J. W. POPE—
(continued from page one)

with Rev. Verlon Fellers, minister officiating.

Interment will be made in the Friendship Cemetery with Green's Funeral Home making the arrangements. The body will be at the family residence from Tuesday afternoon until the funeral hour.

Surviving are her husband, J. W. Pope, two sons, Dewy Glenn of Jacksonville, Florida and James Ray Pope of Fort Hood, three daughters, Mrs. Lois Bales of Buckholts, Mrs. Josephine Guillote of Tracy, Mrs. Rosalie Paterson of Houston; her mother Mrs. J. M. Strickland of Buckholts, one brother, E. H. Ross of Cameron; five sisters, Mrs. Gwyneth Graham of Buckholts, Mrs. Fay McCarson of Boling, Texas, Mrs. Cora Van Sicle of Eldarado, Arkansas, Mrs. Fannie Bean of Buckholts and Mrs. Myrta Rhodes of Cove, Texas. Eleven grandchildren also survive.

Mr. and Mrs. B. F. Bonds spent the week end in Bay Town where they attended the wedding of Mr. Bond's neice, Geraldine Dye, to Wade M. Parker. She is the daughter of Dr. and Mrs. Fulton E. Dye.

Paulo Allala Buried Tuesday Morning

Paulo Allala, 19, drowned in Little River Monday afternoon, June 11, 1951, near Maysfield.

Allala attempted to cross the river to join some friends when he was swept under by the swift current. His body was discovered several hours later after a searching party had gathered at the scene, in an attempt to find the body.

He lived on the H. L. Yager farm at Maysfield where he was employed and had lived there for several years. He was a native of Milam County, born in the Maysfield Community.

Funeral services were to be held from the Mexican Catholic Church at 10 A. M. Tuesday, June 12, with Rev. Franks of Waco officiating.

Interment will be made in the Mexican Cemetery with Marek-Burns directing arrangements.

Surviving are his grandparents Rios and Ferrios Allala and large number of other relatives.

DR. GLENN TAYLOR—
(Continued from page one)

School in Cameron, as valedictorian of the class, he entered the University of Texas where he reecived a bachelor of Science degree and graduated from the Texas Medical School at Galvston. While at the University, he was a member of Alpha Omega Alpha, fraternity composed of the 10 per cent of the students having the highest scholastic records. He was also a mmeber of the Phi Beta Pi, a medical fraternity.

Dr. Kahler was associated with a hospital at Wichita Falls for five years prior to entering the Air Corp. He married the former Miss Agnes Pickett ,daughter of the late Mr. and Mrs. Charles Pickett, pioneer residents of Garza County. They have two daughters, Glenda and Katherine.

The compitent physician held membership in the county, state and American Medical Association as well as membership in the Academy of General Practice.

Funeral services were held at the First Presbyterian Church at Post on Monday, June 4 with Rev. Gerald Blackburn, minister, officiating. Burial was in Terrance Cemetery under the direction of the Mason Funeral Home.

Surviving are his widow, Mrs. Agnes Kahler, two daughters, Katherine and Glenda Kahler, his mother, Mrs. Althea Kahler of Buckholts, one brother, Gordon Kahler of Dallas. He was the nephew of E. L. Kahler, Miss Matilda Kahler, Mrs. Mary Mondrick of Cameron and the late Mrs. E. L. Brod.

Palbearers were the following Presbyterian deacons, Bryan J. Williams, S. E. Camp, Giles Dalby, Giles McCrary, Tom Power and J. N. Power.

Mrs. J. L. Barmore has returned to her home after spending four weeks in the home of her son, Mr. and Mrs. E. C. Barmore of Houston.

BILL ARTHUR—
(Continued From Page One)

with the Board of Directors several weeks ago and was unanimously accepted by the directors at a recent meeting. He will take over as service agent the first of July.

He formerly taught school in the Yoe High School and recently resigned as an instructor in the Milam County Vocational School. He is well qualified for the position as he has been an interested member of the Farm Bureau for several years and has a thorough knowledge and understanding of the duties of such an agent.

Mr. Arthur will be in charge of the service program and, represent the Southern Farm and Casualty Insurance Company, sponsored by the Farm Bureau, in the Fire, Automobile and Life Insurance Departments. The service program of the organization has not been active in recent months and the bureau is anticipating a better service program under the direction of Mr. Arthur.

PROMINENT RETIRED—
(Continued from page one)

the city and community has been outstanding during the many years he has been in Cameron and he was well known over the entire county for his business interest.

He was a native of Gurley Alabama born in 1875, in Madison County. He moved to Cameron in 1921 where he entered the Feed and Produce business in 1922 and through his many years as a leading merchant in the town made many friends who were deeply sorrowed at his death. He was the son of the late Andrew J. and Cassie Fennel Esslinger. Mr. Esslinger was married to Emma C. Green at Huntsville, Alabama in 1902. To this union was born seven children, five sons and two daughters, all of whom survive.

Mr. Esslinger had retired from active business in recent years but kept abreast with the happenings of the day and was always an interested citizen in the welfare of the city and of his community. He was a member of the Methodist Church and devoted much of his time in its work until recent years when his health prevented him from being regular in attendance.

Funeral services were to be held from the Chapel of the Green's Funeral Home, at 4 P. M. ,Monday June 11, with Rev. Don Box, pastor, First Methodist Church, Rosebud, officiating.

Interment was made in the Woodland cemetery with Green's Funeral Home directing arrangements.

Surviving, are his widow, Mrs. Emma C. Esslinger, five sons, Andrew W. Esslinger, Jr., and Roy Esslinger of Cameron, Erle Esslinger and Robert of Fort Worth, Francis Esslinger with the United States Army in Korea; two daughters, Mrs. Harry Weatherby of Houston and Mrs. W. W. Gary of San Marcos. A number of grandchildren and one great-grandchild also survive.

Nolan Maddox is a medical patient in St. Edward Hospital. His many friends wish him a speedy recovery.
